

Not just books

Libraries are changing.

Yes, we still loan books—lots of books! - but did you know you can borrow:

eReaders Cables
Hotspots Music CDs
Books on CD Playaway
Movies on DVD & Blu-ray

And, of course, we have laptops for use in the Library as well as traditional workstations for public use.

In the Library or at home, you can access premium databases for the “right” answers.

*“Google can bring you back
100,000 answers.
A librarian
[and Library databases]
can bring you back the right one.”
— Neil Gaiman*
